### **Secretariat**

Nathan DeBono, *IARC Monographs Programme*, France  
Pietro Ferrari, International Agency for Research on Cancer, France  
Leslie Stayner, *IARC Monographs Programme*, France<sup>3</sup>  
Roland Wedekind, *IARC Monographs Programme*, France  
Vivian Viallon, International Agency for Research on Cancer, France

**NOTE REGARDING CONFLICTS OF INTERESTS:** Each participant first received a preliminary invitation with the request to complete and sign the IARC/WHO Declaration of Interests, which covers employment and consulting activities, individual and institutional research support, and other financial or non-financial interests (e.g. public statements and positions related to the subject of the meeting). Official invitations were extended after careful assessment of any declared interests that might constitute a conflict of interest. Pertinent and significant conflicts are disclosed here. Information about other potential conflicts that are not disclosed may be sent to the Head of the *IARC Monographs programme* at [imo@iarc.fr](mailto:imo@iarc.fr).
